Experience our African hospitality

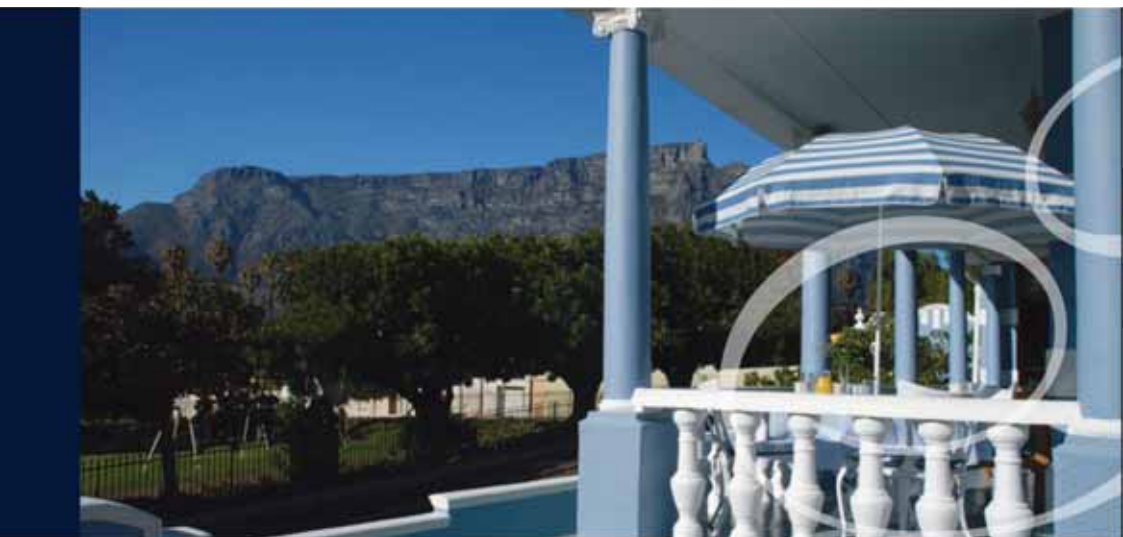

Table Mountain Lodge

- Table Mountain Lodge is a gracious homestead nestled on the slopes of Signal Hill in Cape Town. The lodge offers magnificent views of Table Mountain and superb 4 star accommodation.
- Originally a farmhouse built in 1885, the Cape Dutch homestead has been restored to its former elegance with timeless charm. Table Mountain Lodge has earned its reputation by providing warm hospitality, excellent service, sumptuous breakfasts along with freshly home baked confectioneries.
-

AKANI Those who know Africa will find Her always in their soul, Her rivers in their veins, Her mountains in their mind's horizons, and Her vast blue skies in their dreams. We at Akani honor Africa by embracing Her virtues and creating a warm, unforgettable experience for all visitors to our properties. Whether you choose to join us in the city or in the wild, you will find yourself at home with Akani.

Established in 2003, Akani is as a wholly black owned hospitality management and marketing company. Akani has extensive experience in the management and marketing of many City Hotels, Bush Lodges, Resorts and Timeshare developments gleaned over years. The management team have operated hotels in various countries in Africa and when required, offer expert advice to property owners and operators on the operational efficiencies covering all aspects of the hotel industry. The warmth and professionalism of our team epitomizes our true African hospitality.

Our pride lies in the superior service that we offer to our clients; we embody the true spirit of Akani (which means let us build together) by embracing and working in tandem with our clients.

VISION To strategically place Akani at the pinnacle of excellence in the hotel industry.
